SUMMARY

Creative and detail-oriented UI/UX designer with experience specializing in designing intuitive and visually appealing mobile applications, followed by responsive and engaging web interfaces. Skilled in crafting wireframes, interactive prototypes, and high-fidelity designs that enhance usability and deliver seamless user experiences. Adept at balancing aesthetics with functionality, applying feedback effectively, and collaborating closely with development teams to bring designs to life. Passionate about delivering user-centered solutions that align with business goals and delight end-users.

EXPERIENCE

UI/UX Designer - Present

SOPEONOW - Singapore

Designed and delivered intuitive, user-friendly mobile app interfaces by creating wireframes, prototypes, and polished UI screens. Ensured responsive layouts, smooth navigation, and visually appealing designs optimized for different devices. Collaborated closely with developers to ensure accurate implementation, and improved overall user experience through feedback analysis and usability testing.

UI/UX Designer - July 2025

Zidio Development - Bangalore

Crafted visually appealing and highly functional websites at Zidio Development, specializing in mobile-first UI/UX design that boosts engagement and user satisfaction.
